PROFESSIONAL SUMMARY

Master's student in International Management & Information Systems with hands-on experience in data analytics, CRM/ERP systems, and process optimization. Skilled in SQL, Tableau, Power BI, Salesforce, and SAP/Oracle with a proven ability to translate data into operational improvements. Seeking a working-student or entry-level Data Analyst / Business Intelligence / Business Analyst / Operations Analyst role, remote-first in Germany.

CORE SKILLS

- **Data & Analytics:** SQL, Advanced Excel, Power BI, Tableau
- **Business Analysis:** BPMN, KPI Design, Root Cause Analysis, Requirements Gathering, Process Mapping
- **CRM & ERP:** Salesforce, Oracle ERP, Flexcube Core Banking
- **Methods & Tools:** Agile/Scrum, Jira, Notion, Google Workspace
- **Development:** React, TypeScript, Node.js, Firebase, Google Gemini API

WORK EXPERIENCE

Picnic Technologies — Working Student, Operations & Process Support (Oct 2024 – Present, Hamm)

- Analyzed order fulfillment data using WMS; coordinated warehouse, logistics, and customer-service workflows.
- Documented process gaps; cut 2 steps from the order-picking process.

Robi Axiata Ltd. — Territory Officer, Sales & Data Analysis (Jan 2024 – Sep 2024, Bangladesh)

- Managed a distribution house's full territory operation — sales, IT, and back-office — delivering 18% territory growth in a season.
- Led a 17-person unit (14 sales reps, IT officer, supervisor, office manager); built the daily and weekly Tableau reports (rep scorecards, route rankings) the team ran on.
- Ranked 13th of 200+ territory officers nationwide; managed Salesforce CRM pipeline and ERP data accuracy.

Assignoholic Research & Consultancy — Research Analyst (Nov 2022 – Jun 2023, Remote)

- Delivered research and data-driven insights for 80+ UK university clients across business and IT domains.

KeyB Imports — Operations Team Lead (Jun 2022 – Oct 2022, Dhaka)

- Built the operations side of a friend's mechanical-keyboard startup — stock & pricing system, supplier and import coordination, and money-in/money-out records.
- Split the work into roles (orders, marketing, accounts) and ran the team so nothing fell through the cracks.
- Coordinated import logistics for the QK65 group buy — the first official keyboard group buy by a local vendor in Bangladesh; launched a custom keyboard dust-cover line.

Dhaka Bank Ltd. — Banking Intern, Operations & Reporting (Mar 2022 – May 2022)

- Process documentation and workflow improvements on Flexcube; financial reporting with Excel.

EDUCATION

- **M.A. International Management & Information Systems** — FH Südwestfalen, Soest (Mar 2025 – Present)
- **M.B.A. Human Resources Management** — University of Rajshahi, Bangladesh (2022–2023)
